## THE XAVIER EXPERIENCE

While almost all universities celebrate homecoming, there is none like a Xavier Homecoming. The Xavier University of Louisiana experience is truly one of a kind, featuring events and experiences to engage and entertain all. Our alumni are committed to nurturing future generations of Xavierites and feeding into the culture of this community. On November 6 – 10, over 5,000 members of the Xavier community will reunite for an amazing experience on our beautiful campus, centrally located in the heart of New Orleans.

We welcome the opportunity to partner with you during Homecoming 2024. Committing to a sponsorship will give your organization visibility among thousands of industry leaders, entrepreneurs and influencers.
